

Orienteer live on BBC TV! 28 Jun 2019

On Friday 28 June, BBC Scotland will broadcast *The JOK Chasing Sprint* live on TV.

- The TV coverage begins with the under 18 classes and we want school teams as well as orienteering clubs to be part of it!
- Many of the best orienteers in the country will also be competing in the elite classes.

- The Chasing sprint is a two-race format with challenging courses at light green standard.
- The “chasing” format creates a head-to-head race where first person across the line wins!
- The winning school teams in the S4 and S5/6 classes at the SSOF will gain free entry.
